Visa® Automated Payment Service Amendment to Credit Card Agreement

This Amendment changed the amount of the payments I agree to make each month on my credit card account through Automatic Clearing House (ACH) debit to my designated financial institution account as I have indicated below. Effective immediately, payments will be made between the dates set forth below in the amount set forth below each month, even though my credit card monthly statement will continue to disclose a Minimum Payment Due as calculated by my original credit card agreement and a different Payment Due Date. I must continue to make payments in the amount set forth below until Andrews Federal and I agree in writing to payments of a different amount or Andrews Federal or I cancel this Amendment.
